

# Basic Ultrasound Practical Course

**Friday 1<sup>st</sup> October 2010**  
**Skyline Conference Suite**  
**Ponds Forge International Sports Centre**  
**Sheaf Street Sheffield**

Morning lecture session will cover the different types of ultrasound, scientific principles and the main clinical applications, followed by a practical, technique focused session with 'real patients' in the afternoon. The course is aimed at attracting beginners or people with a basic knowledge of ultrasound. Ophthalmic Science Practitioners, Ophthalmic Photographers, Nurses & Ophthalmologists are all welcome.

**Course Fee:**
